Texas A&M University, College of Liberal Arts, Distinguished Teaching Award, 1991.

Texas A&M University, College of Agriculture, Award of Merit for Teaching, 1989-90.
(Selected by College of Agriculture honor society as the most outstanding teacher outside the College of Agriculture.)

PROFESSIONAL PRESENTATIONS and WORKSHOPS

"Ready to Learn: How to Get Your Students to Come to Class Prepared," Lilly International Conference, Austin, Texas, January 2020.

Invited Session -- "Student Preparedness Incorporated into the Course Design," with Lynn G. Gillette, 39th Annual International Lilly Conference on College Teaching, November 2019.

"Student Preparedness Incorporated into the Course Design," Lilly International Conference, Asheville, North Carolina, August 2019.

"How About the Economy, But What About the Trade War?" Invited Keynote Speaker for Association of Independent Compressor Distributors upcoming 34th Annual Meeting and Exhibition, May 2019.

Invited Faculty Workshop -- "Student Preparedness Incorporated into the Course Design," with Lynn G. Gillette, Thomas More University, January 2019.

Invited Session -- "Ready to Learn: How to Get Your Students to Come to Class Prepared," 38th Annual International Lilly Conference on College Teaching, November 2018.

"Three Percent Growth: Can We Achieve It? Invited Keynote Speaker for Association of

- Independent Compressor Distributors 33rd Annual Meeting and Exhibition, May 2018.
- “How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, Lilly International Conference, Austin, Texas, January 2018.
- Invited Session -- “Ready to Learn: How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, 37th Annual International Lilly Conference on College Teaching, November 2017.
- Invited Conference Presenter Roundtable, “Ready to Learn: How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, upcoming 37th Annual International Lilly Conference on College Teaching, November 2017.
- Invited Session -- “Teaching for Deep Learning and Skill Development,” with Lynn G. Gillette, 36th Annual International Lilly Conference on College Teaching, November 2016.
- Invited Conference Presenter Roundtable, “Teaching for Deep Learning and Skill Development,” with Lynn G. Gillette, 36th Annual International Lilly Conference on College Teaching, November 2016.
- Invited Workshop -- “Ready to Learn: How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, Preconference Workshop, 13th Annual Teaching Professor Conference, June 3, 2016.
- “Ready to Learn: How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, Lilly International Spring Conference, Bethesda, Maryland, June 2016.
- “The State of the Economy: What Grade Would You Assign the U.S. Economy,” Invited Speaker for Association of Independent Compressor Distributors 31st Annual Meeting and Exhibition, May 2016.
- “Ready to Learn: How to Get Your Students to Come to Class Prepared,” with Lynn G. Gillette, The Teaching Professor One-Day Workshop, Magna Publishing, Austin, TX August 7, Long Beach, CA September 25, Cambridge, MA October 9, Atlanta, GA October 23, and Schaumburg, IL October 30, 2015.
- Invited Session -- “Ready to Learn: How to Get Your Students to Come to Class Prepared,” 35th Annual International Lilly Conference on College Teaching, November 2015.
- “Great Teaching Engages the Hearts and Minds of Students,” with Lynn G. Gillette, Keynote Address, Fifteenth Annual Reacting To The Past Faculty Institute at Barnard College, June 2015.
- “Prepared Students: The Secret’s in the Assignment Strategy,” with Lynn G. Gillette, Online Live Seminar, Magna Publications, March 2015.
- “How Do I Get Students to Come to Class Prepared?” with Lynn G. Gillette, 20-Minute Video

- Presentation, Magna Publications, March 2015.
- “How Can I Effectively Use Class Preparation Assignments?” with Lynn G. Gillette, 20-Minute Video Presentation, Magna Publications, March 2015.
- “How Do Prepared Students Change the Way I Teach?” with Lynn G. Gillette, 20-Minute Video Presentation, Magna Publications, March 2015.
- “Transforming a College to Embrace Active Learning, Undergraduate Research, and the Scholarship of Teaching,” with Lynn G. Gillette, Plenary Session, 34nd Annual International Lilly Conference on College Teaching, November 2014.
- “What Should My Students Learn to Do? A Learned-Centered Course Using Collaborative Group Projects, Writing-Across-the-Curriculum Principles, Just-In-Time Learning, and Mentoring and Advising Student Groups,” with Daniel Duncan, and Steve Muchiri, 34nd Annual International Lilly Conference on College Teaching, November 2014.
- “Ensuring Students Prepare So Class Time Focuses on Deep Learning,” with Lynn G. Gillette, 34nd Annual International Lilly Conference on College Teaching, November 2014.
- “Assignment-Centered Course to Promote Student Learning,” with Emily Marshall, 34nd Annual International Lilly Conference on College Teaching, Bethesda, Maryland, May 2014.
- “Ensuring Students Prepare So Class Time Focuses on Deep Learning,” with Lynn G. Gillette, 34nd Annual International Lilly Conference on College Teaching, Bethesda, Maryland, May 2014.
- “In an Era of MOOCs, Maximizing Student Learning during Face-to-Face Instruction By Ensuring That Students Prepare for Class,” with Lynn G. Gillette, and Kathryn Davis, 33rd Annual International Lilly Conference on College Teaching, November 2013.
- “Using an Assignment-Centered Course to Promote Student Learning and Invigorate Teaching: Insights from a Veteran Teacher and a Rookie Teacher” with Emily Marshall, 33rd Annual International Lilly Conference on College Teaching, November 2013.
- “U.S. and Global Economy: Where We Are and Where We Are Headed,” Invited Speaker for Association of Independent Compressor Distributors 28th Annual Meeting and Exhibition, June 2013.
- “Using an Assignment-Centered Course to Promote Student Learning and Invigorate Teaching,” 32nd Annual International Lilly Conference on College Teaching, November 2012.
- “How to Ensure That Students Prepare for Class So That Class Time Can Be Used for Deep Learning,” with Lynn G. Gillette, and Kathryn Davis, 32nd Annual International Lilly Conference on College Teaching, November 2012.
- “Selling New Teaching Concepts across the Department,” with Lynn G. Gillette, and Kathryn

Davis, 32nd Annual International Lilly Conference on College Teaching, November 2012.

“How to Ensure That Students Prepare for Class So That Class Time Can Be Used for Deep Learning,” with Lynn G. Gillette and Kathryn Davis, Invited Pre-Conference Teaching Workshop, Accreditation Council for Business Schools and Programs (ACBSP) Annual Conference, June 2012.

“How to Ensure That Students Prepare for Class So That Class Time Can Be Used for Deep Learning,” with Lynn G. Gillette, 31st Annual International Lilly Conference on College Teaching, November 2011.

“Presenting Intellectually Exciting Lectures, The Assignment-Centered Course, and Move First Exposure to Material Before Class and Use Class for Process, Product, & Response,” Sierra Nevada College Teaching Workshop, April 2008. Workshop presented to Sierra Nevada College Business & Economics faculty.

“Teaching Economic Workshops: A Panel Discussion,” with Gail Hoyt, KimMarie McGoldrick, Mike Salemi, and other Workshop Directors, Southern Economic Association Meeting, November 2004.

“The Foreign Language and International Economics Major: A Success Story in Curriculum Globalization,” and “Move First Exposure to Material Before Class & Use Class for Process and Product,” The Association of Private Enterprise Education International Convention, April 2003.

Invited Teaching Panel – “Teaching Micro Principles Using a Modified Socratic Learning Method: Reflections of a First-Time User,” Kentucky Economic Association Meeting, October 2001.

“Presenting Intellectually Exciting Lectures, Active Learning Strategies, and Moving First Exposure to Material Before Class & Using Class for Process and Product,” Houston Baptist University Teaching Workshop, August 2001. Workshop presented to Houston Baptist University College of Business & Economics Faculty including Adjuncts.

“Move First Exposure to Material Before Class and Use Class for Process, Product, & Response,” University of Kentucky Economics Teaching Workshop, April 2001.

“Tenure through Teaching in Economics at the University of Kentucky,” and “Move First Exposure to Material before Class and Use Class for Process, Product, & Response,” Midwest Economic Association Meeting, March 2001.

Invited Panel Session Chair – “Move First Exposure to Material Before Class and Use Class for Process, Product, & Response: Perspectives from Four Practitioners,” and Invited Panel –

- “Engaging Students in the Classroom: Successes and Pitfalls,” Southwestern Federation of Administration Disciplines, Southwestern Society of Economists Meeting, March 2001.
- “Organizing a Regional Teaching Methods Workshop,” with Michael Salemi, William Walstad, Paul Haas, and Gail Hoyt, American Economic Association Meeting, January 2001.
- “Move First Exposure to Material Before Class and Use Class for Process, Product, & Response,” Houston Baptist University Teaching Workshop, March 2000. Workshop presented to Houston Baptist University College of Business & Economics faculty.
- “Move First Exposure to Material Before Class and Use Class for Process, Product, & Response,” Southwestern Federation of Administration Disciplines, Southwestern Society of Economists Meeting, March 2000.
- “Presenting Intellectually Exciting Lectures” and “Move First Exposure to Material Before Class and Use Class for Process, Product, and Response,” Robert Morris College, Irwin/McGraw-Hill “Teaching Economics: Instruction and Classroom Based Research” Conference, February 2000.
- “Strategies to Increase Student Learning and Motivation in Principles of Economics Courses: Moving First Exposure to Material Before Class & Using Class for Process and Product, and Inspiring Active Learning through Team Comprehensive Oral Exams,” with Lynn G. Gillette, Southern Economic Association Meeting, November 1999.
- “Presenting Intellectually Exciting Lectures, Active Learning Strategies, and Moving First Exposure to Material Before Class & Using Class for Process and Product,” Houston Baptist University Teaching Workshop, August 1999. Workshop presented to Houston Baptist University College of Business & Economics faculty.
- “Teaching Large Classes Well,” Murray State University Teaching Workshop, April 1999. Workshop presented to Murray State University College of Business faculty.
- “Moving First Exposure to Material before Class and Using Class for Process and Product,” Kentucky Economic Association 1998 Meeting, October 1998.
- “Increasing Student Interaction (With Other Students & With the Teacher) and Student Comprehension,” Marshall University Teaching Workshop, April 1998. Workshop presented Marshall University College of Business faculty.
- “Improving Student Participation in Class & Preparation before Class,” Southern Industrial Relations and Human Resources Conference, October 1997.
- “A User-Friendly, Real-World Explanation of Trade Balances and Job Loss,” Appalachia’s Export Summit, Race for the Future Conference sponsored by the Appalachian Regional

Commission, Kentucky Cabinet for Economic Development, and the University of Kentucky, October 1997.

“Tenure through Teaching in Economics at the University of Kentucky,” with Gail M. Hoyt, Eastern Economic Association Meetings, April 1997.

“Writing across the Curriculum & Service Learning Applied to Group Projects in Econometrics,” with Gail M. Hoyt, University of Kentucky Economics Teaching Workshop, April 1997.

“WAC Principles Applied to Group Projects in Econometrics,” National Writing Across the Curriculum Conference, February 1997.

“Improving the Large-Enrollment Principles Course,” Presentation and Round Table Panelist, American Economic Association Meeting, January 1996.

“Intellectually Exciting Lectures,” Robert Morris College, Irwin/McGraw-Hill “Teaching Economics: Instruction and Classroom Based Research” Conference, February 1996.

“Intellectually Exciting Lectures,” University of Kentucky Economics Teaching Workshop, March 1996.
